Our good old town has said the word,  
Until the waters fall.  
While she has got a dollar left  
There's bread and meat for all,  
That she's the best old town on earth  
Proclaim it loud and long,  
And every mother's son of us  
Is for her right or wrong.

The river fell about twelve inches last night and is going down at an increased rate to-day.

JACK BROWNING is a flood sufferer also. His large anvil floated off on Thursday, but it is reported that it was safely landed at Dover. The starboard side was saved in and it leaks badly.

MR. JOHN HEISER, one of Maysville's best citizens, is dangerously ill. Dr. Dawson, of Cincinnati, is at his bedside for the purpose of performing a surgical operation. His many friends hope for his speedy restoration to health.

Two tobacco warehouses and one grocery store, the only buildings of the kind at Logan's Gap, were carried away by the flood. It is reported that there were 30,000 pounds of tobacco in one of the warehouses when it floated away.

The Secretary of State, accompanied by Hon. J. D. Kehoe, arrived from Frankfort, yesterday, with \$1,000 of the State appropriation to be applied as follows: Vanceburg and Concord, \$400; Augusta, \$400 and Chester \$200.

The city of Maysville has acted nobly in the matter of caring for her unfortunate citizens. Her action was both prompt and generous, and her bounty was given not only in the city but everywhere in the vicinity that it was needed.

The front wall of a brick and frame house on Front street, belonging to Mr. James Rice, fell this morning. It was occupied by Mr. Robert Browning but fortunately neither he nor any of his family were hurt. His household goods were removed safely.

The following stock belonging to the estate of Edward Maher, deceased, was sold recently by Mr. C. F. Taylor:

2 two-year-old steers.....	\$105 00
1 old cow.....	27 00
1 yearling bull.....	100 00
2 calves.....	55 00
1 old horse.....	49 00
1 old horse.....	50 00

Tobacco sold, delivered in winter order at \$13.35 per hundred. Farming implements brought good prices.

That part of Charleston Bottom lying between the line of the Maysville and Big Sandy R. R., and the river bank, embracing several hundred acres of land, was under water from three to fifteen feet. The principal damage in that locality was to fencing. The owners of the land are well-to-do farmers who can easily bear the loss. The bottom with the fencing all gone had the appearance of an immense lake.

At a meeting of the Relief Committee held yesterday, the following precinct soliciting committees were appointed:

Maysville No. 1—Richard Dawson, A. B. Glascock and J. M. Power.  
Maysville No. 2—Dan. Perrine, J. F. Brodick and W. P. Lawry.  
Washington—James Kirk, Robert Hunter and C. W. Forman.  
Mayslick—J. D. Peed, J. T. Wilson and Walter Mathews.  
Sardis—David Dye, H. D. Watson, W. R. Browning.  
Murphysville—W. S. Clift, Dr. J. W. Gault and Benjamin Prather.  
Lewisburg—A. K. Marshall, J. Harvey Rice and J. R. Lashbrook.  
Orangeburg—J. D. Mayhugh, J. S. Barnes and Jacob Thomas.

The following dispatch was received this morning:

FRANKFORT, Ky., February 16.—Hon. J. D. Kehoe: See committee at once and let me know how much more is needed for Maysville, Augusta, Chester, Vanceburg and Concord.

The following reply was sent:

MAYSVILLE, Ky., February 16. Governor J. Proctor Knott: We have seen committee and they learned of the great distress in Augusta, Concord and Vanceburg sent all the money left by Col. McKendle to those three points and are caring for sufferers in Maysville, Chester and Aberdeen, O., by local subscriptions. The committee thinks the three counties can be relieved by sending to Concord \$400, Maysville \$1,500, and Chester, Vanceburg and Augusta \$800 each, \$4,000 in all, but \$5,000 would be judiciously used if forwarded. Let us have all the aid you can give as it is greatly needed to assist in relieving the sufferers. Answer as to amount you can send.

MR. JAMES BARBOUR and J. James Wood, Esq., the Relief Committee appointed by the County Court for Chester and vicinity, have been very diligent and faithful in the execution of their trust and have afforded prompt relief to a vast number of the unfortunate people in their district. Up to this morning they have distributed the following:

Seven hundred and twenty-five pounds of meat.  
Fifteen bushels of meal.  
Nine hundred and fifteen pounds of sugar.  
Eight hundred and ninety-five loaves of bread.  
Four hundred and fifteen pounds of coffee.  
Forty-five pounds of candles.  
Two hundred and forty gallons of soup.  
Eight hundred and twenty pounds of flour.  
Five hundred and fifty bushels of coal.  
One barrel of crackers.  
Twenty bushels of corn.  
Twenty shocks of fodder.  
Two coils of rope.

## PERSONALS.

Judge Robert Riddle, candidate for Judge of the Court of Appeals, is in the city.

Mrs. H. Gray and her mother, Mrs. Richard Dobyns, who were driven from their home on Front street by the high water, are stopping at the European Hotel.

The following is from the Hot Springs, (Ark.) Daily News:

We are pleased to announce to the public that Mr. George T. Tudor, one of the finest snare drummers in the land, who attracted so much attention last summer when connected with the K. of P. band, returned to Hot Springs Saturday, from his home in Maysville, Ky., and has accepted his former position in that most excellent corps. Mr. Tudor will be warmly welcomed by all who know him.

## The Churches.

Services will be held as usual at St. Patrick's Church to-morrow.

Dr. J. T. Hendrick will preach at the Third street Presbyterian church to-morrow morning and evening.

Rev. A. N. Gilbert will preach at the Christian Church Sunday morning and night at the usual hours. The public is cordially welcome.

Rev. W. T. Jolly will preach in the Baptist Church to-morrow morning and evening at the usual hours. After morning services a business meeting of the church will be held at which important matters will be attended to.

Boat building has been an important industry in Maysville this week.

The Maiden's Prayer:

"Mother, may I go out to swim?"  
"Yes, my buxom daughter—  
Better go now while the river's up  
And you can find the water!"

The Maiden's return:

"O mother, I've been down to swim!  
You oughter seed your daughter!  
There ain't no place to hang my clothes,  
For the hickory's under water!"

—Burton News.

The following very suggestive verse is from the Yeoman:

Who votes to wait  
Till things grow worse,  
Before the State  
Undies her purse?  
Who votes to pause  
Till men be dead,  
Before the laws  
May issue bread?  
Who has the face  
To call it just,  
In such a case,  
That God should rust.

The Legislature on the 14th inst., increased the State appropriation for the relief of the flood sufferers \$75,000, making \$100,000 in all. Mr. Kehoe, as we are informed by him, favored the most liberal appropriation that could be properly made and voted to make it \$25,000, because, at that time, he conscientiously believed no greater amount could be carried. Mr. Hart, of Fleming County, who was in Maysville yesterday, informs us that his position in the matter is also misunderstood. He was from the beginning in favor of a liberal appropriation and voted against \$25,000 because he believed it should be greater. We see by the official proceedings of the House on the 14th inst., that he offered a resolution to appropriate \$100,000 for the purpose. Both gentlemen, we believe, did what they thought to be the best they could under the circumstances.

## The Snow of Mont Blanc

is not whiter than teeth that are daily rubbed with Seododont, and coral gathered in Ocean depths, cannot surpass the hue of gums freed from sponginess by the same salutary agent. American ladies visiting foreign lands, excite the admiration of beholders and the envy of their transatlantic sisters, with the surprising excellence of their teeth. When asked to what they owe this charm, they murmur the talismanic word Seododont!

## How to Shorten Life.

The receipt is simple. You have only to take violent cold and neglect it. Abernethy, the great English surgeon, asked a lady who told him she only had a cough: "What would you have? The plague." Beware of "only coughs." The worst case can, however, be cured by Dr. Wm. Hall's Balsam for the lungs. In whooping cough and croup it immediately allays irritation, and is sure to prevent a fatal termination of the disease. Sold by druggists. (eod&w)
